

## ***Baby Animal Farm – Karen Blair***

**Published by Walker Books RRP \$27.99**

An attractive picture book for pre-schoolers.

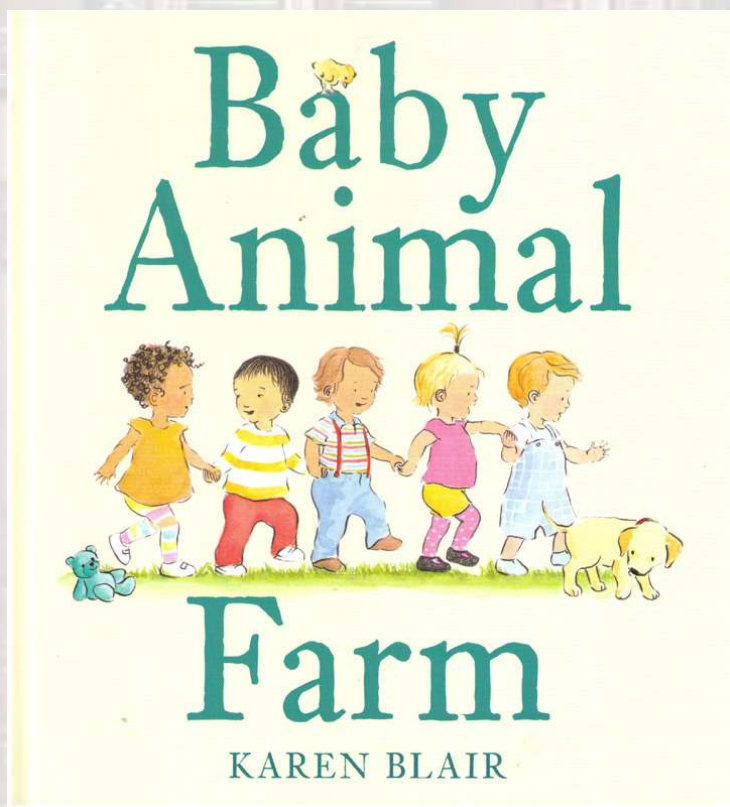

The author/illustrator has included all the features that youngsters enjoy. Friends, cute baby animals, sounds to copy, food and fun, they're all part of the exciting outing.

Soft watercolours, rosy-cheeks and smiling faces highlight the pleasure of the youngsters meeting the animals. The storyline encourages the children to take an active, hands-on approach. "Stroke the calf. Moo, moo, moo."

The final pages finish on a satisfying note with tiny-tots and animals sound asleep.
