## ***The Holiday Creativity Book - Mandy Archer***

**Publisher: Walker Books**

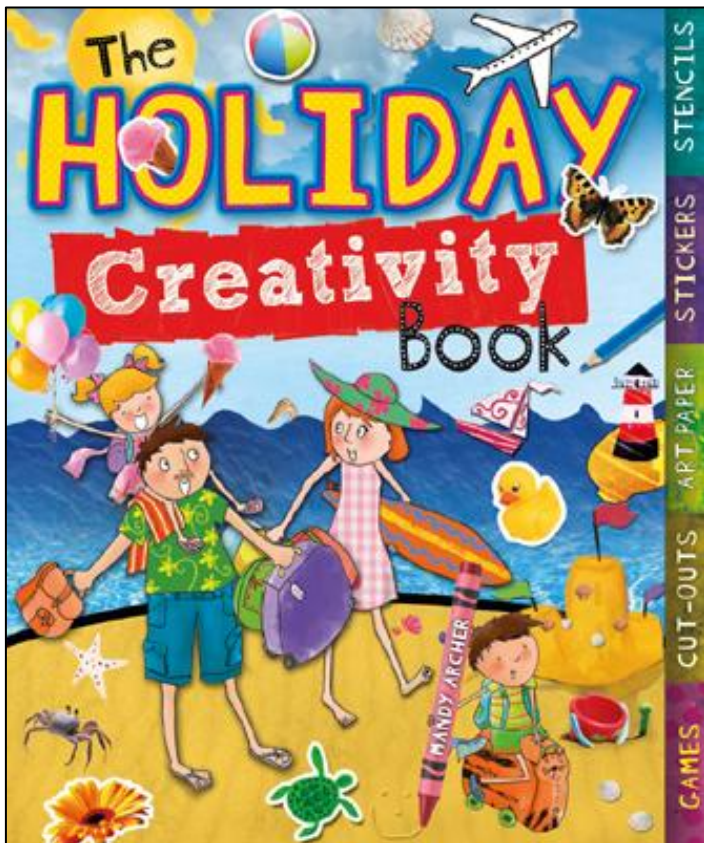

**RRP \$22.99**

This attractive, large-format book has an impressive range of activities to keep kids busy in the holidays. Rainy days will be easy to fill with the myriad of things to make and do.

There's art and craft, stencils, stickers, word games, mazes, spot the differences, card games and much more. Children will be drawn into the excitement of holiday time with enticing ideas aimed at sparking their creativity and imagination.

Colourful and eye-catching design adds interest to every page. There's lots of fun facts about destinations around the world: flags, passports to make, luggage labels, transport choices, postcards and travel mementoes.

A colourful fold-out section has two different scenes on either side with plenty of detail to explore and room to add reusable stickers. The sturdy paper is ideal for the activities that require cutting-out and sticking together. The only extras required are pencils, colouring pens, dice, glue and scissors.

A great book to occupy the kids on a long journey, or when it's time for them to escape the sun and move into the shade.
