## ***Jungle Bells* written by Scholastic NZ, sung by Anika Moa, illustrated by Stephanie Thatcher**

**Publisher:**

**RRP \$21.00  
Inc CD**

Oh, what fun it is to have a jungle holiday!

Stephanie Thatcher's illustrations are full action, full colour and full page. The animals mentioned in the rhymes are all having fun, along with many more, unmentioned but fully created by this illustrator. There is even a little dung beetle scuttling across each page, and forced to row (!) across a stream.

*Monkeys on the swing,  
hippos do a twirl,  
frogs from green pools sing,  
and birds above us whirl ...*

*Oh, jungle bells, jungle bells,  
the jungle's where we play,  
oh, what fun it is to ring  
the jungle bells today-AY!*

This read-aloud and sing-along book plus CD will make the perfect present for a young pre-schooler.
